We no plan to destroy dams, Zabihullah Mujahid

Spokesperson of Islamic Emirate of Afghanistan said :they were the protectors of national assets and have no plan of blowing up dams in the country. The Afghan Defence Ministry has alleged that opponents (Taliban) has planned to destroy three major dams including Naghlo dam., we would like to say that Islamic Emirate of Afghanistan has played pivotal role in guarding national assets and under construction installations.

If Taliban had any intention of destroying these installations, they could easily implement it.

- 1-Such propagasdas of the powerless Kabul administration are aimed to defame Taliban:
- 2- they hide their failure as it could not provide electricity to Kabul and other areas of the country during the past seven years.
- 3-avoid accountability for millions of dollars they had received for several projects.
- 4-It is also being done by security organs to get more fund from funding agencies with such dramas

The stance of Taliban was very clear to every one and "The enemy can no more hoodwink people.
