By the blessing of Allaah on the courageous Mujahideen, the international crusader tyrannical forces have been faced with a deep defeat, defeat so deep from which they will never be able to gathered and designed any type of political and military strategy regarding Afghanistan anymore, because members of this coalition have never been totally ready to except the American commands, compromising their interests for the interests of Americans, thus, do not tolerate their soldiers being killed for the sustaining the political and military despotism of Americans in the region.

The British secretary of state for defence Brown openly said, in the celebration meeting of fiftieth yearly defensive relationship of British and America, that the military mission in Afghanistan is more dangerous than Iraq, because the people of Afghanistan never excepted the imposed model of democracy by the westerns, their emotions of rejecting the foreign forces are on the high and supporting for the Taliban is continuously increasing day by day.

He said if the westerns take disproportionate role in the affaires of the Afghans and thus marginalizing the role of Afghan people the west will face a defeat in the country.

Many people believe that the such talks coming out from the high ranks of British government shows that the co-operation between invader forces in Afghanistan is at a very low and they are heading towards a destructive and a disgraceful loss.

Islamic Emirate of Afghanistan, is considering the current situation as a profitable one for the Mujahid nation of Afghanistan, which during the last week alone killed at least one hundred invader terrorists, it shows that Afghanistan is going to be a hot oven for the kafirs and munafiqs, the advice of the

Mujahideen for them is to leave before the heat of Mujahideen burns you. Inshallah
