About The Visits Of Bush And Brown To Afghanistan And The Paris Conference

16-12-2008

Honourable Mullah Brother Akhond, the deputy of the Islamic Emirate of Afghanistan

Press statement:

The visits by the leaders and senior officials of the invader countries and the international conference under the name of Afghanistan, which have mostly ended up without any result, have only symbolic values.

Without a doubt that now the invader forces are facing a disgraced defeat in Afghanistan and their soldiers have lost their morale. That is why they want to visit their forces repeatedly in order to boost the morale of their forces and to continue their propaganda that the situation is in their benefit contrary to the realities.

On the one hand, these leaders want to draw the attention of the media to last days of their power, and on the other hand, they want to show their own people that the situation in Afghanistan is in their benefit. But on the contrary, it is the best reason for proving the Mujahideen's victory that these leaders even cannot announce their visits due to apprehension and mostly they have paid surprise visits to Afghanistan in dark night for a few hours.

Also, the Paris Conference is merely limited to words and it has not gained any visible achievement no one has made any specific demands and the representatives of the countries have merely repeated a few organized words.

This all show that the world countries are trying to get rid of this trouble, which is a part of the latest victory of the brave Afghan nation.

It is better for the leaders of the invader countries to withdraw their forces from Afghanistan to save themselves from more troubles instead of making these dispirited visits and holding disorganized conferences. It will be good for them to do this now instead of continuing to suffer more casualties and disgrace, they should confess to this bitter reality. If they do not do this, they will always face disgrace as a result of the Mujahideen's decisive attacks.

MILNEWS.ca - Military News for Canadians

The fact that they will send more troops to Afghanistan is not an increase in the number of their forces but they want to fill the place of the killed soldiers.

If this process continues, not far is the day when their military power will be destroyed completely by with the grace of Allah.

puppet police in Mandai area of Shara wak district of Kandahar province, the landmine destroyed the vehicle but the number of puppet terrorists killed or wounded could not be confirmed. **Reported by Qari Muhammad Yousuf**

These operations were part of Ibrat (lesson) Plan, which was declared by Mulla Birader (may Allah protect him), deputy of the Islamic Emirate of Afghanistan.

O, Revealer of The Book, Mover of the clouds, Destroy the co-coalition the enemies of Islam terrorists

O Allah, make them and their weaponry a booty for the Mujahideen

O Allah, you are our support and you are our only Victor; by your order we attack; by your order we retreat and by your order we fight

O Allah, the sky is yours; the earth is yours; the sea is yours, so whatever forces they have in the sky, drop them. Destroy all their forces in earth and sink all their forces in sea

O Allah, deal with them for verily they can never disable you

O Allah, retaliate upon them, afflict them like you did to Pharaoh and his nation

O Allah afflict their country with floods, make them in need of money and food and persons

O Allah defeat them, destroy them O the All-Strong, the All-Mighty

Allahu Akbar
